FREE Church Listing

We would like to invite you to list your church in The Christian Business Directory Church Listing for free. Since you will be listed in the directory, you can request any amount of directories you would like to distribute to your congregation. Generally, about 1/3 of your average attendance is a good amount of directories to order. We will hand-deliver the directories when the new directory comes out. Below is an example of how your church listing will appear. Please print your information clearly to insure it is printed correctly in the directory. Due to available space, we must keep the information about your church simple. The form must be filled out by a staff member of the church and signed at the bottom of the form. Red Letter Publishing, LLC shall retain and reserve the exclusive right and sole discretion to accept or reject any subsequent advertising by advertiser. Please fax, mail or email this form back to us as soon as possible. Thank you!

Red Letter Publishing, LLC is non-sectarian, non-denominational in attitude and emphasis. We believe in one God, eternally existent in three persons, Father, Son and Holy Spirit. We believe in the virgin birth of our Lord Jesus Christ, His sinless life, His vicarious and atoning death, His bodily resurrection, His ascension to the right hand of God the Father, and His personal return in power and glory. We believe our salvation is by grace through faith, in His shed blood, which is evident through our works. The Christian Business Directory is made up of Christian businesses and professional people from various denominations. Though we differ on minor doctrine, we all agree that our personal faith in Jesus Christ and His Word is the basis of our fellowship.
